# IN MEMORIAM GRAND MASTER NGUYEN VAN CHIEU

Grand Master Nguyen Van Chieu has always been a point of reference for Italy, ever since we had the good fortune to meet him.

In 1998, he came to Europe for the first time, and some Italians had the chance to meet him then, in Spain. For us, it was a truly special and unforgettable moment.

From the very beginning, he was open and willing to collaborate. In 2001, had the honor of welcoming him to our country for the first time. It was an important occasion: he visited clubs, met students, and led a memorable seminar. We had the pleasure of hosting him again in 2002, then in 2009, and finally in 2012, during the European Championship held in Lignano Sabbiadoro.

Each time brought intense days filled with emotion. Beyond being a great Master, he loved being among people—talking with young students, playing with children, chatting with parents. He had a deep affection for Vovinam practitioners and, whenever he came to Italy, he always gave his all.

Today, we carry him in our hearts and in our memories. With this second event dedicated to him, we aim to honor his legacy and share his story with those who never had the chance to meet him, or who were too young at the time to remember.

Thank you, Master.

## President of WWVF

Good evening from Vietnam, my Vovinam brothers and sisters!

I am writing you from Danang, a very beautiful beach city in central Vietnam. I hope I can welcome you all here one day for a nice tournament. The city offers great weather, food, scenery, and of course a fantastic beach.

I am happy to report that Vovinam has been growing on all the continents. I managed to spend a week in May in Africa to see with my own eyes our work there. Our WWVF Vice President cum Secretary General, Master Mohammed Djouajd, is a real hero there. The Asian Vovinam Federation finally had their congress in December 2024 and is in the final stage to reorganize our activities in India and South Asia. We will be sending some good masters from Vietnam to train the trainers in South America... In Europe we are always in good hands.

I can't thank Master Florin Macovei and Master Vittorio Cera, my two WWVF Vice Presidents, enough. Their love for Vovinam is just unbeatable. European brothers and sisters have been so instrumental in helping us prepare for the upcoming World Championships in Bali, Indonesia, in November 2025.

On top of that, this Interclub Tournament in honour of our beloved Grand Master Nguyen Van Chieu in January 2026 in Lissone, Italy, is a great act of love. I will be in the US then for my annual program at Harvard Business School. Otherwise I would so much love to be with you all. I owe you all another debt of gratitude. Enjoy the tournament, get to know new brothers and sisters, and build great friendships, my dear siblings.

I wish you all a successful event.

Mai Huu Tin

## A2.Lisa Riva

### President of A.S.CO Promotion

Master Nguyen Van Chieu has been the person who has most significantly influenced the journey and the growth of our Association. I met him in Vietnam in 2015 for the first time. He immediately managed to convey passion, love, dedication, and energy. I will never forget his kind eyes and authentic smile.

This year is the 25th anniversary of A.S.Co. Promotion foundation. We all felt the best way to celebrate our anniversary was to organize an event in his memory.

Together with Master Giuseppe Pollastro and all our masters, we want to say thank you to Master N.V. Chieu organizing an international trophy open to all clubs and to all age groups. Most of all, we are giving priority to children and young athletes in general; they are a symbol of vitality, change, passion, and strength for our martial art. This is what Master Chieu believed in.

A Master is not only the one who teaches, but most of all is the one who inspires athletes to give their best in any situation.

I wish all participants to live this competition with the same passion that Master Chieu has conveyed to all of us.

Thanks Master

Lisa

## A3.Luca Marzocchi

### President of Vovinam VVD Italy

Italy is proud to host the INTERCLUB VOVINAM 2026 TOURNAMENT, an international competition dedicated to the memory of Grand Master Chieu. Special thanks go to ASD. ASCO Promotion, Maestro Giuseppe Pollastro and all his staff for their commitment and dedication in organizing this event.

This competition aims to offer all Vo Sinh of all levels the opportunity to compete internationally, without the need to belong to their country's national team.

This competition represents an opportunity for personal growth. Getting on the tatami means testing yourself, not only against your opponent, but above all against yourself. It is a path that helps every athlete to recognize and manage their emotions: adrenaline, tension, determination. Knowing how to transform these energies into concentration and inner strength is what distinguishes the true Vo Sinh. I conclude by quoting a thought from GM. Chieu who inspired me during my long journey as a Master and student:

"Good students are everywhere. So every martial arts teacher not only needs to teach their students about martial arts technique, strength and method, but also needs to know how to inspire their students to help them continue their careers."

I wish everyone a championship marked by mutual respect, friendship and brotherhood, because respect is the foundation of martial arts.

# B.HOST COUNTRY

## B1.ITALY

Italy is one of the main destinations of international tourism. It combines carefree recreation on the sea coast with shopping in the capital of fashion; tours to the places where the culture of Western civilization was born, and incredibly delicious Italian cuisine. This is a country of love for life and its essence. Evidence can be found in every beautiful corner of this country. It is easy to fall in love with Italy. All you have to do is look around.

Italy gave the greatest artistic geniuses to the world: painters, architects and sculptors who left hundreds of masterpieces on the Apennine Peninsula. 53 of them are included in the list of the UNESCO World Heritage Sites, more than in any other country in the world. The main cultural centers in Italy are Rome, Naples, Milan, Florence, Venice and Turin.

This country makes you feel like you're in a corner of paradise. The unbelievable nature of the peninsula surrounded by five seas, scattered with 1500 crystal clear lakes, decorated with extraordinary plants, takes you to another world where even a simple act of breathing seems different.

Everyone who plans to visit Italy looks forward to its marvelous daily meals.. And not in vain! Almost at every step, you shall find a cozy restaurant, cafe or a family tavern with Mediterranean pasta, pizza, minestrone, carpaccio, risotto, lasagna. Order a good glass of wine from a local family-run winery and, for dessert, the worldwide known Italian gelato.
